But what exactly does this new version come with? Microsoft has gone all out with Windows 8 Pro because it features an upscaled look and feel. While they aren't officially saying anything, and I know that they don't have official names for just yet, it is clear here that this is an upgrade from the "classic" Windows look and feel found in PCs running prior versions of Windows.. WE ARE NOT GOING TO CHANGE ANYTHING–VOD WE SEE YOU ON THE OTHER SIDES–VOD WE ARE NOT GOING TO CHANGE ANYTHING–VOD.. If you're using Windows 7 or 8 to install Windows 8.1, you don't need to be worried about installing anything other than a clean install of that operating system. That's because you are already using the latest version of Windows, you can get rid of your installed operating system and upgrade to Windows 8.1 in less than 30 minutes.. Windows 8 Pro If you've got a Windows 7 desktop computer and Windows 8, what do you do with Windows 8? Well, basically, you install Windows 8 Pro, which is the same as the 32-bit version except it now also comes with the new Microsoft Office suite of apps.
